OUR VISION

To be the first-choice private university in Ghana with highly qualified and motivated staff.

OUR MISSION

Integrity, Transparency & Accountability, Teamwork, Collaboration and Partnership, Excellence in Service Delivery, Customer Satisfaction

CORE VALUES

To develop world-class human resources equipped with the appropriate knowledge, skills and attitudes to meet national development needs and global challenges through quality teaching, learning, research, knowledge dissemination and collaboration with key stakeholders

The establishment of the University College was initiated by Dr. John Buuck and Dr. Paul K. Fynn of the Evangelical Lutheran Church of Ghana in 1998.

It received its Interim Accreditation in January 2000 under the name University College of Wisconsin International University - Ghana (UCWIU-Ghana). It was thus one of the first private universities to receive accreditation.

It began its operations in August 2000 under Rev. David Asante Dartey as the Director and Togbe Kwao Anipati IV as Dean of Academic Studies with nine (9) International MBA students, the first MBA programme to be run by a Private University in Ghana.

Wisconsin International University College, Ghana (WIUC-GH) has been accredited by the Ghana Tertiary Education Commission (GTEC) and is affiliated to the University of Ghana, the University of Cape Coast, the Kwame Nkrumah University of Science and Technology (KNUST), and the University for Development Studies (UDS).

The University College has campuses in Accra (North Legon) and Kumasi (Feyiase, Lake Bosomtwe Road).

The University offers programmes at the Undergraduate and Postgraduate levels, and runs Professional and Certificate courses

It is always a joyous occasion to gather with your family and friends to celebrate your achievements. Today marks a significant milestone as you don your graduation gowns, having journeyed through the rigors of academia. It has been a period of hard work, sacrifice, and growth. While we are excited about the new horizons that await you, we also feel a sense of loss, knowing that your time here at Wisconsin may be drawing to a close.

Your time here has left an indelible mark on our hearts. We hope many of you will choose to remain connected with us through our School of Research and Graduate Studies, as you continue on to postgraduate studies. For those of you who will venture into the workforce or continue your academic journeys elsewhere, remember that the bond formed during your time at Wisconsin remains strong. Go out into the world with pride, carrying the Wisconsin badge, and know that you represent each of us as distinguished ambassadors.

Ladies and gentlemen, today, we gather not only to celebrate the remarkable achievements of our graduands, but also to explore the theme of this event, which is "Securing Tomorrow: The Role of Artificial Intelligence." This theme captures the transformative power of technology and how it will shape the future that awaits you.

The world you are entering is evolving rapidly, driven by advancements in Artificial Intelligence (AI). This technological revolution is transforming every aspect of life, from the way we work and learn to how we interact with each other. As you may be aware, at Wisconsin, we have embraced these changes by integrating AI into our curriculum, ensuring that you are not just consumers of technology but also creators and innovators who will shape the future.

However, the role of AI extends beyond the technical — it's about using technology to solve real-world problems. This is why our educational philosophy combines cutting-edge knowledge with practical experience. Facilities like our new Cybersecurity, Digital Forensics, AI and smart Laboratories, Nursing Skills Laboratory, and Broadcasting Studio for the School of Communication Studies are tangible expressions of our commitment to blending theory with hands-on learning. Through these, we prepare you to navigate and contribute to a world increasingly influenced by AI.

EMPOWERING YOU FOR THE FUTURE

Ladies and gentlemen, your time at Wisconsin has equipped you with the skills and knowledge to thrive in a world where AI is central to progress. You leave here not just with academic credentials but with practical experiences that make you stand out. Our investment in modern facilities, such as our advanced cybersecurity, AI and ICT laboratories and digital libraries, has given you the foundation to explore and innovate. The impact of our approach is evident in the achievements of our alumni. One such alumnus, is your current Acting Alumni President Oscar Jonas Tei-Mensah who is

currently studying for his LLM in faraway USA at the prestigious Pennsylvania State University. Oscar, a first class LLB alumnus was part of over 60 Wisconsin international University College, Ghana students called to the Ghana Bar in 2023 is elected to represent the LLM class of 2024-25 leading a diverse class of over 101 different nationals. Oscar was modeled by us to be outstanding leader and we are proud that he is a shining light to what WIUC-Ghana stands for.

Similarly, I am proud to announce that 60 of our students from the Law faculty were called to the Bar at the most recent Ghana Bar Association induction. Before this, 129 of our students passed the entrance examination into the Ghana Law School. These success stories are proof of Wisconsin's role in nurturing capable, forward-thinking leaders.

QUALITY ASSURANCE AND PROGRAMME DEVELOPMENT

Wisconsin is committed to expanding our academic offerings to align with emerging trends, including those driven by AI. This year, as we assured you at the last graduation ceremony, we have successfully introduced new Masters programmes in Nursing and IT namely MSc Nursing, MPhil in Midwifery, MSc Cybersecurity, MSc IT, MSc Business Computing in collaboration with the University of Cape Coast (UCC) and the University of Ghana (UG). These programmes are designed to develop leaders who can adapt to the complexities of the future, whether in the private or public sector.

Recognizing the demand for flexible and accessible learning, our Graduate School is likely to introduce a one-year MBA program with specializations in Human Resource Management, Finance, Marketing, Project Management, and more. We have also made efforts to open doors wider by reducing local fees and welcoming applicants with third-class qualifications into our Master of Business Administration programme. This is part of our mission to create opportunities for all.

SCHOOL OF NURSING AND MIDWIFERY

Our commitment to practical, AI-enhanced learning is especially evident in our School of Nursing and Midwifery. As of October 2024, the school serves over 5,500 students in programmes like BSc General Nursing, Public Health Nursing, Midwifery and Masters in General Nursing and Midwifery.

The introduction of postgraduate Nursing and Midwifery programmes reflects our vision for advanced, AI-integrated education. Our state-of-the-art Clinical Skills Laboratories, the first of their kind in the region, continue to host the Nursing and Midwifery Council's Licensure Examinations, ensuring that our students are well-prepared for the future.

Plans are far advanced for the commencement of

- Master of Public Health (MPH);
- Master of Science in Public Health Nursing (MSC Public Health); and
- Master of Philosophy in Public Health (MPHIL Public Health).

The School of Nursing and Midwifery will also start a Sandwich Programme in the three Postgraduate Programmes in Nursing during the next summer break.

INDEXING

The School of Nursing and Midwifery has registered a total of seven thousand, six hundred and forty-two (7,642) Nursing and Midwifery students with the Nursing and Midwifery Council of Ghana, through Indexing. This consists of Generic students who are Senior Secondary School Graduates and Certificate Nurses who were admitted as serving officers to upgrade their certificates.

LICENSING EXAMINATIONS

The School of Nursing and Midwifery presented its tenth group of students who have completed their degree programmes of study for the Nursing and Midwifery Council's licensing examination, in August/September this year.

- Number of candidates presented – 538 students

Thus, the School of Nursing and Midwifery has presented a total of three thousand one hundred and eighty-eight (3,188) students for the Licensing Examination since its inception.

WIUC AS A CENTRE FOR LICENSING EXAMINATIONS OF NURSING AND MIDWIFERY COUNCIL

WIUC Accra Campus is still being used as an examination center by the Nursing and Midwifery Council of Ghana (N&MC) for its Licensing Examinations.

NURSING ACCESS COURSE

School of Nursing and Midwifery offers holders of HAC/NAC and NAP Certificates the opportunity to pursue Bachelor of Science Degree in our three programmes namely General Nursing, Public Health Nursing and Midwifery through its Nursing Access Course. Holders of Post Basic Midwifery Certificate are also given the opportunity to pursue direct Bachelor of Science Degree in Midwifery, without any Access Course.

There were four sessions of the Access Course Programmes for this semester's Nursing and Midwifery admissions. Two on each Campus as follows:

ACCRA CAMPUS ACCESS

ADVANCEMENTS AT THE KUMASI CAMPUS

Our Kumasi Campus has seen remarkable growth in recent years, from increased student enrollment to improved infrastructure. The new campus clinic now offers comprehensive healthcare services, while the development of the main Feyiase road has greatly enhanced accessibility. These advancements are part of our broader commitment to creating an environment that nurtures innovation and learning.

SCHOOL OF RESEARCH AND GRADUATE STUDIES

WIUC-GH's postgraduate programmes are designed to prepare graduates for strategic leadership roles within the private and public sectors in Ghana and beyond. As you may be aware, increased competition in the job market has reduced the value of the first degree. In light of this and in line with recent trends and our commitment to inclusivity, I am happy to inform you that the university now admits applicants with third-class qualifications into our Master of Business Administration programme.

Additionally, Wisconsin University has made it easy for its students to achieve more with the downward review of all local fees for our post graduate programme including all local fees fully quoted in Ghana cedis

This opportunity is here for you to seize as a stepping stone to your professional success. Please do well to also inform your other colleagues and family who are not here presently. It is important to note that all our programmes are fully accredited by the Ghana Tertiary Education Commission and affiliated with the leading public universities in the country, including the University of Ghana, Kwame Nkrumah University of Science and Technology, University of Cape Coast and the University for Development Studies.

NEW GRADUATE PROGRAMMES

In response to increasing demand by students for shorter courses and duration for studies, plans are also far advanced to mount new 1-year programmes in MBA, MSc. Real Estate Management and MSc Business Analytics. These programmes would initially run concurrently with the existing 2-year MBA. WIUC-GH would eventually seek approval from the University of Cape Coast to enable WIUC-GH run MPhil Programmes in all options to enable students who excel in the one-year MBA and are interested in pursuing an MPhil programme do so for a top-up programme at WIUC-GH. Each of these new programmes will offer admissions each semester with study options for Weekday, Evening Session and Weekends Only Session.

The Department Of Operations Management And Information Studies (OMIS)

After careful consideration of programmes that are currently running at the Graduate School, it has become necessary to pool together programmes that are founded on

disciplines that interact very closely with each other under one department called the Department of Operations Management and Information Systems (OMIS). This is to achieve efficiency in the administration of such programmes.

These new Department of Operations Management and Information Systems (OMIS) will house the following programmes:

- MBA Management Information System
- MSc Logistics and Supply
- MSc Business Analytics
- MBA Project Management
- MSc Real Estates Management

LOOKING AHEAD: SECURING TOMORROW

As we look to the future, Wisconsin International University College Ghana remains dedicated to providing an education that equips you to lead in a world shaped by AI. For instance, the Business School recent partnership with professional bodies such as the Institute of Chartered Accountants and the Chartered Institute of Bankers enable our students to gain practical insights and industry connections. Additionally, our Entrepreneurship and Innovation Hub is designed to empower you to turn your ideas into impactful ventures.

Graduates, today you stand on the brink of a new chapter, one filled with possibilities and challenges that will demand the best of you. The AI-driven world offers tremendous opportunities, but it also requires individuals with the wisdom, empathy, and resilience to use these tools for the greater good. Your time at Wisconsin has

prepared you to be those leaders—those who will not only secure tomorrow but also make it better for all.

As you go forth, know that you have the support and pride of your Wisconsin family. We are confident that you will excel wherever life takes you, and we look forward to celebrating your future achievements. May you carry the spirit of Wisconsin with you always.

Congratulations to the Class of 2024! May your future be as bright as the promise you hold today.

Dada Foundation-Ghana is the Corporate Social Responsibility organisation of Wisconsin International University College (WIUC), Incorporated in 2019. We focus on three key areas: health, business innovation, and education, in line with SDG 3, 4 and 9.

Health: We Initially focused on training Traditional Birth Attendants (TBA) to support mother and child health in rural Ghana. As part of training traditional birth practices, we began training of Midwives to further provide training for TBAs to align their practises with standards. Also, in 2022 we partnered with Ghana West Africa Medical Mission, and as a special purpose vehicle, we have drilled close to 100 boreholes across Ghana in communities without access to clean drinking water. Additionally, we have constructed three sanitation facilities in regions with poor toilet conditions, specifically in the Ashanti and Eastern regions. We have so far conducted two health screening projects in these regions.

Business Innovation: Over the years, we noticed a widening gap between academia and industry, so we designed TSM to help bridge this divide. The program connects successful industry professionals with mentees who either have a clear business idea or are looking for guidance on the next steps. Mentees might have a business plan, a CV they want to refine, or simply an entrepreneurial dream they wish to pursue. TSM provides mentorship and helps them turn their ideas into reality.

Connected to the Speed Mentoring Program is our incubation initiative at the Dada Hub, located in Tema. Those with promising business ideas are given further training at the hub to ensure their concepts become sustainable ventures.

Education: With support from several partners, we have been able to provide scholarships students, with some studying at Wisconsin International University College and one currently pursuing a law degree in USA. Further, we recently began Silent Counts, an abacus project for the deaf.

Dada Hub is the innovation and knowledge hub of Dada Foundation and WIUC.

GHANA WEST AFRICA MEDICAL MISSION

God brought together three women- Gayle Wadsworth, Terri Collins and Mary Littleton, who were part of a Bible Study Fellowship International for what would become Ghana West African Medical Mission.

Conversation regarding a possible medical mission trip became a reality with a trip set for June 2018. This group of six, Gayle and Dr. Lyle Wadsworth, Terri and Dan Collins, and Mary and Pastor Dennis Littleton would become the mission team that God would lead to work in Ghana. Stephen Wadsworth, grandson of Dr. Lyle and Gayle was added to the team.

With a common love for God's Word, the team is dedicated to providing medical care, clean water, improved sanitation, and nursing scholarships for deserving university students in Ghana, West Africa.

JONAS TEI-MENSAH, Esq**

“Congratulations Class of 2024”

“The heights by great men reached and kept were not attained by sudden flight, but they, while their companions slept, were toiling upward in the night. *Henry Longfellow - Quote*

Ladies and Gentlemen, Hearty congratulations on your graduation and wishing you good luck for the new beginning in your lives. For all the times of late night studies, lack of sleep and sacrifice of enjoyment your reward is here. You are true sons and daughters of this great prestigious University.

Our hope is that each and every one of you will become very successful in your chosen fields. Grow personally and professionally. Never stop learning for life is an unending classroom. Live life to the fullest and give it nothing but your best.

Our alma mater, now yours as well, has given you the tools, the education, the training and the discipline to surpass your dreams and live an amazing life. In all that you do be a shining example to the world and make it a better place. Let the values of this University, i.e. Peace, Harmony, Freedom, Truth and Knowledge guide you in all that you do as worthy ambassadors and alumni of this University. You are our best means of advertisement of what great products that comes from this noble institution.

Today also marks the day you become members of the Wisconsin International University College, Ghana Alumni Association as 2024 Year Group. As an alumnus of this University, there is a greater duty to tell the Wisconsin story better. In every journey there are good times and bad times but always be proud of the opportunities that Wisconsin gave to you and always remember to give back to your school the best you can, so that together we make the University a better place and the number one choice destination for excellence in private University education.

As Alumni Association, our doors are opened to you all to unite as one family and help each other in this journey of life.

In this new chapter of your graduation, chase your dreams. Never stop trying. You can achieve whatever you want in life. All you have to do is believe that you can. May God bless you all.

The Wisconsin International University College Alumni Association (WIUC Alumni Association) is proud of you for this great milestone in your lives. You deserve a round of applause!

Congratulations to you.

Mr. Oscar Jonas Tei-Mensah, Esq

WIUC-GH Alumni

I, as an alumnus/a of Wisconsin International University College, Ghana, do solemnly swear to uphold the honourable traditions of the University and its noble values.

Imbued by the spirit of their historical mission, to serve the needs of students of diverse backgrounds across Africa, I will endeavor to earn my own place among the alumni who by their devotion to this ideal, have brought recognition and honour to their alma maters.

I do solemnly swear to commit myself to the highest standards of service to humanity wherever my life touches that of others, as a socially responsible citizen.

I commit myself to serve the Association and uphold the constitution to the best of my ability, to provide moral, intellectual and generous financial support, and to encourage others to attend my alma mater and therefore contribute to the perpetuation of the noble work of Wisconsin International University College, Ghana.

So help me God.

STANZA 1

Wisconsin International University is calling!
 We're calling Sons and Daughters to the Gate of Truth and Light:
 The Home where Leaders are made in International Education
 To stand for Wisdom, Knowledge and Strength to serve a world in Love.

CHORUS:

*Arise, Oh great Wisconsin 2x
 A world in need is waiting
 For the home where leaders are made
 In International Education to
 Stand for Wisdom, Knowledge and Strength
 To serve a world in love.*

STANZA 2

In harmony we seek for peace and freedom- truth and knowledge;
 In service to our generation we forever stand;
 To do the best that we can, as we would have the world to appreciate
 The gift of education with the great Wisconsin touch!

CHORUS:

*Arise, Oh great Wisconsin 2X
 A world in need is waiting
 For the home where leaders are made
 in International Education to
 Stand for Wisdom, Knowledge and Strength
 To serve a world in love.*

*Composed by:
 Victor Attoh Brown*

*Recomposed:
 Newlove Annan*

God bless our homeland Ghana,
 And make our nation great and strong,
 Bold to defend forever
 The cause of Freedom and of Right;
 Fill our hearts with true humility,
 Make us cherish, fearless honesty,
 And help us to resist oppressors rule
 With all our will and might for evermore.

Second stanza:

Hail to thy name, O Ghana,
 To thee we make our solemn vow:
 Steadfast to build together
 A nation strong in Unity;
 With our gifts of mind and strength of arm,
 Whether night or day, in the midst of storm,
 In every need, whatever the call maybe,
 To serve thee, Ghana, now and evermore.

*Composer:
 Mr. Philip Comi Gbeho*
